## 1. GENERAL INFORMATION

### 1.1. Placement route programmes

If you have chosen a programme of study that includes a placement, please take note of the following information:

- **Placement Fees**

- For Undergraduate (Thin Sandwich and Thick Sandwich) and Postgraduate Taught 'Extended Practice' courses with a one year placement, there will be a tuition fee for the placement year of £1385 for courses commencing in 2021.
- For Postgraduate Taught non-professional courses with a placement lasting less than 12 weeks, the placement carries no additional tuition fee.

- **Placement Travel and Accommodation Costs**

You may incur additional costs pertaining to travel and accommodation in relation to your placement. Your College will be able to provide you with further advice and guidance about this as you approach your placement year.

### 1.2. Costs associated with Remote Learning

At the time of writing we cannot confirm whether the teaching of courses in the 2021/2 academic year will be impacted by social distancing measures in the way that courses taught in 2020/1 have been, as a result of the COVID-19 pandemic. You can find Information about how courses were delivered in 2020/1 here: <https://www.brunel.ac.uk/study/2020-changes>

Access to a laptop or desktop PC was required for joining online activities, completing coursework and digital exams during the 2020/1 academic year. You may find it helpful to understand the minimum specification that was recommended, in case this should also apply when you join your course: <https://www.brunel.ac.uk/study/2020-changes/documents/laptop-spec.pdf>

### 1.3. Textbooks

Most of the textbooks that accompany each module are available within the University Library or through our online access; however, students may wish to purchase personal copies. Costs relating to course reading lists vary according to course, but second-hand copies of textbooks can be purchased from the Student Union or the from second hand booksellers.

### 1.4. Student Financial Policy

The Student Financial Policy contains information about payment schedules, general degree-related costs and any other fees or charges that might apply during your studies with Brunel. You can find a copy here: <https://www.brunel.ac.uk/about/administration/documents-and-policies>

## 2. COURSE-SPECIFIC INFORMATION

### Undergraduate Programmes

#### 2.1. College of Business, Arts and Social Sciences (CBASS)

Course	Additional Cost
<b>All Theatre courses</b> (Department of Art & Humanities)	- <i>Theatre trips</i> costing up to £200 across the 3 years of the course.
<b>BA Education</b> (Department of Education)	- <i>Travel costs</i> of £50 associated with 1 field trip per year. - Other voluntary trip costs may be incurred but these will be optional. - <i>Enhanced DBS check</i> : <ul style="list-style-type: none"> <li>• DBS applications (completed in the UK): £46.81.</li> <li>• ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office.</li> </ul>

#### 2.2. College of Engineering, Design and Physical Sciences (CEDPS)

Course	Additional Cost
<b>BEng/MEng Chemical Engineering</b> (Department of Chemical Engineering)	- <i>Lab coat &amp; other Personal Protective Equipment (PPE)</i> : The University will provide a lab coat, gloves, and safety glasses free of charge. If the lab coat is lost or damaged, a replacement lab coat will cost £15.  - <i>Poster Presentation/Binding Costs</i> : £30-50 per annum.  - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions.
<b>BEng/MEng Civil Engineering</b>  <b>BEng/MEng Civil Engineering with Sustainability</b> (Department of Civil & Environmental Engineering)	- <i>Residential Field Trip</i> : The feasibility of a residential field trip will be assessed nearer the time in relation to COVID-19 restrictions, but if it goes ahead a contribution of £150 towards residential field course costs will be required. Students should also equip themselves with suitable wet and cold weather outdoor clothing and footwear.  - <i>Personal Protective Equipment (PPE)</i> : The Department provides suitable personal protective equipment (e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.  - <i>Posters/Binding costs</i> : £30-50

<p><b>FdSc Flood and Coastal Engineering</b> (Department of Civil &amp; Environmental Engineering)</p>	<ul style="list-style-type: none"> <li>- <i>Field Trips:</i> Students must provide their own wet and cold weather clothing and suitable footwear. For the HR Wallingford Summer School students require safety (steel capped) Wellington boots.</li>   <li>- <i>Summer Placements:</i> There may be travel and accommodation expenses associated with summer placements, which will vary according to the placement.</li> </ul>
<p><b>BSc Flood &amp; Coastal Engineering</b> (Department of Civil &amp; Environmental Engineering)</p>	<ul style="list-style-type: none"> <li>- <i>Field Trips:</i> Students must provide their own wet and cold weather clothing and suitable footwear. ## Postgraduate Taught Programmes

### 2.4. College of Business, Arts and Social Sciences (CBASS)

Course	Additional Cost
<p><b>MSc Anthropology of Childhood, Youth and Education</b></p> <p><b>MSc Anthropology of International Development and Humanitarian Assistance</b></p> <p><i>(Department of Social &amp; Political Sciences)</i></p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>
<p><b>MSc Banking &amp; Finance</b></p> <p><i>(Department of Economics &amp; Finance)</i></p>	<p><b>Preparation for the Chartered Financial Analysts (CFA)<sup>®</sup> level I exam:</b> In late June, students who successfully complete all their taught modules may register for the December Chartered Financial Analysts (CFA)<sup>®</sup> exam. Fitch Learning will then provide a 10-day intensive programme followed by two further days' revision at Brunel, in preparation for the external CFA<sup>®</sup> level I exam.</p> <p>To ensure our students full access to the tools required to study towards the December exam, students need to access the Fitch Learning Online Portal and Mobile App (cost of £1,314). This is offered:</p> <ul style="list-style-type: none"> <li>- Free to students with a distinction in their taught modules</li> <li>- Discounted at 50% for students with a merit</li> <li>- Discounted at 30% for students who pass</li> </ul> <p><i>(CFA Institute, CFA<sup>®</sup> and Chartered Financial Analyst<sup>®</sup> are trademarks owned by CFA Institute.
